

The Group is dedicated to addressing all significant concerns that affect stakeholders across its various businesses.

**Completed projects as of June 2025 are as follows:**

1. Plant nursery at women prison, Beau Bassin and Pointe la Gueule, Rodrigues by FORENA (Fondation Ressources et Nature), through the training of 4 prisoners, 2 officers in propagation techniques and over 200 plants propagated.
2. Empowerment of 15 women over six months through mangrove propagation at Ferney by FORENA.
3. Extension of the Diabetic Foot Care Clinic at J. Nehru Hospital, Rose Belle.
4. Organic fruits and vegetables expo sales, to support bio farmers, in collaboration of FAREI (Food and Agriculture Research and Extension Institute) in the context of World Environment Day 2025.
5. Financial Literacy Programme delivered by SICOM staff to NGOs, Lovebridge Ltd and ANFEN (Adolescent Non-Formal Education Network) on budgeting, managing credit, investing and financial scams.

**Ongoing projects as of June 2025 are as follows:**

1. Second year of the *Learning with Nature* programme in collaboration with the MWF (Mauritian Wildlife Foundation).
2. Partnership with FAREI on initiatives such as the annual expo-sale of organic products and the establishment of bio-farms at the Farmers Training School in Wooton and at Autisme Maurice.
3. An Agroforestry project in Rodrigues in collaboration with FORENA for a period of 3 years, involving around 10 women in the planting of 300 fruit trees and 200 endemic plants.
